

GET GOLF READY

Why not take a Swing?

Get Golf Ready is designed to teach everything you'll need to play in just a few lessons. The PGA Professional will show you that there are lots of ways to play by combining fun, friends and fitness. Beginning golfers, infrequent golfers and former golfers are encouraged to participate!

What you need to bring

Just yourself, a desire to have fun and perhaps a few friends to enjoy the great outdoors. Golf clubs, balls and other equipment will be provided for your use.

What you will experience

Each session will focus on the various golf skills you will use while playing. In addition to learning the basics, you will be guided onto the golf course to put your skills into action in a casual, friendly setting.
